

CURRICULUM VITAE

Perdikouli Nikolitsa

Address: Aritis & Patroklou 21, Proastio, Patra

Phone number: 2610-450713 & 6980-124755

Date of birth: 13/04/1994

Email: nikol.perdikouli@upnet.gr & nikolper13@gmail.com

Education

2016-today	Postgraduate student, Department of Biology, University of Patras, title "Biological Technology"
2016 (1/6-31/7)	Placement (two months) in the laboratory of Endocrinology, University Hospital of Patras, Rio
2015-2016	Thesis in Microbiology Laboratory, Department of Biology, University of Patras, on: «STYDIED ON STORAGE MATERIAL DEGRADATION OF MICROORGANISMS AND OLEOGINUS STRAINS SELECTION»
2012-2016	Graduate Department of Biology, University of Patras, grade 7.75 / 10
2012	Graduate 9 th General High School of Patras, grade 19.2 / 20

Capacities

❖ MICROBIOLOGY LABORATORY

Microbial cultures:

- Preparation of liquid and solid nutrient substrates for microorganisms cultures (bacteria, yeasts, fungi)
- Experiments in liquid and solid cultures of microorganisms

Classical microbiology techniques:

- Bacteria staining (Gram, Malachite green), staining for intracellular lipids (Nile red), malachite green staining
- Observation of the microorganisms morphology by optic microscope
- Observation of the yeasts and fungi intracellular lipids by fluorescence microscopy
- Photometric assays (3,5-dinitrosalicylic acid method-DNS, Biuret method, Dubois method, Lowry method)

Specialized microbiology techniques:

- Biomass determination of yeasts and fungi
- Extraction of extracellular and intracellular lipids (FOLCH method, Soxhlet)
- Quantitation of intracellular polysaccharides, proteins and organic acids
- Fractionation of total lipids to neutral lipids, sphingolipids, phospholipids and
- Acyl-esterification of lipids

Analytical techniques:

- High Performance Liquid Chromatography (HPLC)
- Gas Chromatography (GC)

❖ ENDOCRINOLOGY LABORATORY

- Handling automatic analyzer that works with electrochemiluminescence

Conferences

- | | |
|----------------|--|
| 2016 (13-15/5) | Monitoring and Participation Certificate (with poster) at the 22th Scientific Congress of Greek Medical Students, Conference and Cultural Center of University of Patras |
| 2013 (13-15/5) | Certificate of Participation at the 14th Congress of Medical Chemistry and 20 FP7-SEE-Drug Workshop: Design and Development of Pharmaceutical Products, Conference and Cultural Center of University of Patras |

Languages

English

STATE CERTIFICATE OF FOREIGN LANGUAGE PROFICIENCY
(B2 Level)

French

Courses for 3 years (DELF A2)

Γνώση Η/Υ

- Microsoft office (Word, Excel, PowerPoint)
- Origin lab
- Photoshop
- GIS, for the course "Ecology II"
- MediLab, for the placement
